## OUR PRESIDENT'S ADDRESS

This has been an interesting year as president of your SEMVMA. Although I have been on the council for several years now, I have even more appreciation for our membership, fellow council members and our secretary. You all have made me so proud to be a member of our fine organization. With your support this year has flown by, carrying me with it. The 48th Holiday Party and the Run Wild for the Detroit Zoo are behind us. CE requirements are now finalized and hopefully the new year will bring with it the allowance to discuss and respond to questions regarding CBD products. No matter the stance you have on the issue, veterinarians should be the source of this information, not the clerk at a retail establishment.

With two of our CE's behind us (maybe three depending on the delivery of this update) and a couple more remaining, I hope you and your staff are getting some helpful 'take home' messages from them. When I was a young veterinarian, my mentor told me that if I brought back one useful idea from a meeting, to consider it successful. SEMVMA is

an amazing resource, providing state of the art CE supported by quality and engaging nationally known speakers; I'm sure we all take home more than just one useful idea to build upon or share.

*Dave Smith*

The quote, 'Service to others is the rent you pay for your room here on earth' is attributed to many (Mohamed Ali, Marian Wright Edelman and others). It speaks volumes and is a powerful reminder that we all have something to give. One suggestion is to consider raising a puppy for a service organization or hosting a breeding dog for them. Be it an organization to help

veterans, a medical or service need, or to guide the blind. I have had the privilege to see the life changing impact these dogs provide thousands of times over. Some SEMVMA members already participate in these organizations, and I thank you.

I wish you much joy this holiday season. I hope you have time to enjoy the company of your friends and family and enjoy a successful and meaningful new year.

Peace

– *Dave*

Hi fellow SEMVMA members! I, **Dr. Nicole Grube**, am sending out a plea for help. My husband, **Matt**, is in desperate need of a kidney transplant. He is 38 years young and a fantastic father to 4 kids ages 9, 8, 6, and 5. He's a soccer coach, wrestling coach, and is on our local soccer board. Our family couldn't imagine not having him here with us to share in all our experiences. If you have ever considered being a living donor, please, now is the time to act. If you would like more information or would like to be tested as a potential match for Matt, please call 248-551-1010 or visit [beaumont.org/services/transplant](http://beaumont.org/services/transplant). You can also reach me directly via email at [snikki921@yahoo.com](mailto:snikki921@yahoo.com). Matt, myself, and our 4 kids thank you for reading and considering saving a life and being a living donor.

WE WANT TO HEAR FROM YOU! Our goal of this section is to let members know what is occurring in our lives outside of veterinary medicine. Please notify us of your recent family additions, graduations, honors, achievements, fund raising activities, civic group associations, outdoor activities and the like. Please call us at 248-651-6332 or email us at [adminsevmma@sevmma.com](mailto:adminsevmma@sevmma.com)

# 48TH ANNUAL HOLIDAY PARTY FOR THE SE MICHIGAN VETERINARY COMMUNITY

---

The annual holiday party was held on November 16th at the San Marino Club in Troy on a glorious fall day - two days ahead of the first winter storm of the season. For the 48th year, this wonderful gathering provided an opportunity to celebrate camaraderie and thanksgiving within the southeastern Michigan veterinary community. Started years ago by Dr. Harold Duchan, this grand event is organized each year by the Macomb County Veterinary Association with the generous support of the Southeastern Michigan Veterinary Medical Association.

As the well-dressed guests arrived, hors d'oeuvres and cocktails started the festivities off nicely. The evening included a plated dinner, the much-anticipated annual charity raffle, a fantastic dessert buffet, plenty of dancing and other social opportunities for all to enjoy. A long list of fabulous prizes highlighted the evening's annual charity raffle. Each raffle prize was generously donated by our familiar veterinary industry representatives and several local businesses recognized below. The Michigan State Animal Response Team (MiSART) was again the recipient of the raffle proceeds, as has been the tradition over the last several years. Our annual charity fundraiser continues to be the largest form of support for their work as MiSART receives little directed financial support overall. Dr. Jeff Dizik represented MiSART this year and provided a brief update for party guests on the current status of the group. Dr. Tari Kern and the team from Pawsitive Steps Rehabilitation & Sports Medicine kept the raffle moving along through the long line of donated prizes. Dr. Grace Chang took photographs throughout the night to commemorate the occasion. We are pleased to announce that MiSART received \$3,450 in proceeds from the event this year. The dance floor, bar and talented caricature artist were busy until the end of the night. For the non-dancers attending the party, the yard games came inside again allowing for a little fun competition among colleagues to be enjoyed! If you didn't make it to the party this year, please watch for announcements as next fall approaches!

A huge thank you goes out to all of the veterinary offices and companies who donated items to the charity raffle: Advanced Animal Emergency, Affiliated Veterinary Emergency, Animal Emergency Center, Animal Surgical Center of Michigan, Antech Laboratories, Blue Pearl Veterinary Partners, Boehringer Ingelheim/Merial, Covetrus, Faithful Companion, Heska, Idexx Laboratories, MCC Vet Tech Program, MCVA (Macomb County Veterinary Association), MedVet Commerce, Merck Animal Health, Oakland Veterinary Referral Services, Patterson Veterinary Supply, Pawsitive Steps Rehabilitation & Sports Medicine, Ralph Wilson Agency, Royal Canin, SEMVMA (SE MI Veterinary Medical Association), Virbac, & Zoetis. When you see their representatives, please pass along a thank you for their continued support of this wonderful charity event.
