NUTRITION

Dr. Craig Datz

October 17, 2018

Sponsor - Royal Canin

Dr. Datz is a 1987 graduate of the Virginia-Maryland Regional College of Veterinary Medicine. He spent 14 years in private companion animal practice and 11 years on the faculty at the University of Missouri College Of Veterinary Medicine working in the areas of Community Practice and Clinical Nutrition. In 2012 he joined Royal Canin USA where he is the Director of Scientific Affairs. Dr. Datz is board-certified in clinical nutrition and is dual board-certified in canine/feline and feline practice by the American Board of Veterinary Practitioners.

Some of the topics to be discussed include: Nutritional Approaches to Managing Atopic and Food Allergy Patients. The Expanding Role of Nutrition in the Diagnosis and Management of Gastrointestinal Disorders. How to Read a Pet Food Label. Unconventional Diets: Are Grain-Free, Raw, and Holistic Diets Really Better. Strategies for Healthy and Successful Weight Loss.

RADIOLOGY

Dr. Lorrie Gaschen

November 14, 2018

Sponsor - Heska/Cuattro

Dr. Lorrie Gaschen received her DVM from the University of Florida, was in private practice in Florida for two years after which time she did a diagnostic imaging residency at the University of Bern in Switzerland and became a diplomat of the European College of Veterinary Diagnostic Imaging. She received her PhD in renal transplant imaging in animal models at the University Medical School in Utrecht then returned to the University of Bern where she became an associate professor. Her major research interests are in gastrointestinal ultrasound and vascular imaging as well as MRI. Currently, she is full professor at the Louisiana State University, Section of Diagnostic Imaging as well as being the Executive Associate Dean for Diversity, Student and Faculty Affairs. She has authored numerous publications and book chapters mainly in the field of ultrasound, vascular and gastrointestinal imaging where she has done the majority of her research and is a frequent national and international lecturer.

Some of the topics that will be discussed include: Radiographic interpretation of pulmonary patterns and disease causes in dogs and cats. Diagnosing Airway Collapse in the dog: it's not just the trachea. Improving your cardiac radiographic interpretation in the dog (including Bull dogs!) Improving your cardiac radiographic interpretation in the cat. Diagnosing abdominal obstruction in dogs and cats: tips you can use tomorrow in your practice. Interpreting the upper GI barium study in dogs and cats: Focus on the three main lesion types.

INFECTIOUS DISEASE

Dr. Julia Veir

December 5, 2018

Sponsor - Idexx

Dr. Julia Veir received her Veterinary Degree from the University of Illinois in 1998 and PhD from Colorado State University in 2006. She is a Diplomate of the ACVIM in Small Animal Internal Medicine. She is currently on staff at Colorado State University. Her areas of interests include infectious disease and exotics pets. She has been published in Vet Clin North Am Small Anim Pract. 2010 Nov; 40(6):1189-200. Molecular diagnostic assays for infectious diseases in cats. Veir JK, Lappin MR.

***Some of the topics that will be discussed include:** Leptospirosis updates, URI and Fungal Diseases

*As of print date. Additional topic information will be provided by the SEMVMA prior to the seminar.

DENTISTRY

Dr. Mark Smith

February 27, 2019

Sponsor - Patterson Lab & Virbac

Dr. Mark M. Smith received his veterinary degree from the University of Pennsylvania in 1982. He is a Diplomate of the American College of Veterinary Surgeons and the American Veterinary Dental College. He was professor of surgery and dentistry at VA Tech from 1988-2004. Dr. Smith is the recipient of numerous awards including the Norden Distinguished Teacher Award, Beecham Award for Research Excellence, American Veterinary Dental Society Hill's Research and Education Award, and the American Veterinary Dental College Service Award. He is also Editor Emeritus of the *Journal of Veterinary Dentistry*. Dr. Smith is in private specialty practice at the Center for Veterinary Dentistry and Oral Surgery in Gaithersburg, MD.

Some of the topics that will be discussed include: Dental Emergencies: No Need to Call; You Know What To Do! Tooth Resorption in Cats: Don't Think You Know; Know You Know! Surgical Tooth Extraction in Dogs and Cats: How to Avoid Mistakes! Tooth Extraction Complications: Avoid and Conquer! Oronasal Fistula: Holes That Have To Be Fixed! Oral Neoplasia: Operating Tumors You Can Handle!

ANESTHESIA AND PAIN MANAGEMENT

Dr. Tamara Grubb

March 27, 2019

Sponsor - Aratana Therapeutics

Dr. Tamara Grubb is a board certified veterinary anesthesiologist with a strong clinical interest and research focus in pain management. She is an Associate Clinical Professor of Anesthesia & Analgesia in the College of Veterinary Medicine at Washington State University, a certified acupuncturist, a member of the International Academy of Veterinary Pain Management and a consultant in a private small animal veterinary practice. Dr. Grubb's favorite achievement is winning the Carl J. Norden Distinguished Teaching Award, which has been awarded to her from students at two universities.

Some of the topics that will be discussed include: Get the Nerve: Local and Regional Blocks for Every Practice. Anesthesia Monitoring, Support and Common Mistakes. Better Together: Balanced Anesthesia & Multimodal Analgesia. Anesthesia and Analgesia for Fractious and Aggressive Patients. Chronic Pain: What works, are we doing it right.

SEMINARS WILL BE HELD AT THE MANAGEMENT EDUCATION CENTER

Management Education Center
811 West Square Lake Road
Troy, MI
